Description:

DESCRIPTION -

Reverence with CE standards

Simplified machine operation panel, saving time

Maximum weld strength

Capacity of both normal and 0,2mm welding for coated profiles

Movable right head is fixed with

Maximum welding length 3200mm

Easy mold changing system

Temperature, welding time and pressure adjustment for different type of profile

Heating unit with thermostic control

Easy to change the degree of heating plate with digital display

Power to change the degree of heating plate with digital display

Power supply protects the system against sudden voltage changes

Product Code: PRO-114

Country:  Turkish

HSN Code: 8515

Unit: 0

Gross Weight: 550KG

Net Weight: 520KG

Dimension: D800*W3850*H1500
